

James and Robbi Francovich, Viva Global Membercare

The Francoviches were in Spain, Balkans, Mexico and Switzerland visiting families and singles, and we also took part in mission and convention conferences in 2025.

We visited the family from Mexico pictured here in their first year on the field in the Balkans. The highlight was a big birthday bash with lots of gifts and Mexican candy for their two kids. After a month in their new place, their

son asked, "Why did we come here, I miss my home and friends and I have to learn a new language to live here." It is quite an adjustment and adventure for the whole family to trust the Lord with their calling and commitment to share Christ where there are very few believers.

Viva Global Membercare is a support ministry for missionaries from Latin America who share the Gospel and their lives in Spain, India, Africa, and the Balkans. Pancho visits missionaries on the field, helps with logistics, church partnerships, and walking alongside mission kids and families as they live in another culture.

Robbi regularly hosts missionaries in our home in Austin. Our mission partners Eddie and Macarena Aldape, who serve in Spain, were in our home and we learned that their 20-year-old car had died. In a couple casual conversations with friends about their need, we raised ½ the money needed for a used Mitubishi. Back on the road again, they recently celebrated 10 years in Spain. Thanks be to God!

In 2026 we will be in West and East Africa, Spain, and Mexico and wherever the Lord may lead.

Thank you for your support of our ministry helping us to thrive as we care for many Latino families living a sacrificial call to share the Gospel in difficult places.

Holiday Greetings from our family as we celebrate our 2-year-old great granddaughter Kensley. With Joy, Pancho and Robbi!
